

INNSource led Ohio hotel renovation

Jul 29, 2016

INNSource managed a \$2.8 million renovation of the Comfort Inn-Miami Valley Centre Mall in Piqua, Ohio.

The project involved combining rooms to create 20 two-room suites, bringing the hotel from 122 to 102 total rooms. Additional improvements included refinishing the building's exterior, as well as a complete renovation of all guest rooms. Corridors, the breakfast area, the fitness room and the indoor pool were also refurbished.

Midas Hospitality manages the Dayton-area property.
